

The **Finance Committee** is responsible for periodically reviewing the SGA Budget and shall receive, review, and make recommendations to the Senate concerning the proposed Annual Budget from the SEB. The Finance Committee shall review all requests for funds made by other University organizations and make recommendations concerning such requests to the Senate.

The **Student Life Committee** is concerned with matters such as University Convocation, student activities, clubs and organizations, and sustainability initiatives.

The **Diversity Committee** is committed to improving student and campus relations by working with students, the Office of Diversity and Intercultural Initiatives, Disability Resources, the Multicultural Affairs Committee, and related student organizations.

The **Campus Services Committee** is dedicated to improving campus in areas involving campus architecture/design, Dining Services, Health Services, Public Safety, Transportation Services, and Technology Services.

The **Community Life Committee** is devoted to working with Residence Life with regards to student concerns for university housing facilities, procedures, rules, and programs. The Community Life Committee also works with athletic directors and programs to ensure that the needs of student athletes are properly heard by the SGA Senate.

The **Code of Laws Committee** is charged with reviewing all proposed changes to the Code of Laws and shall have the duty of reviewing the Code of Laws each year to keep it consistent with the SGA Constitution and the current times.

The **Academic Affairs Committee** is tasked with working with the University Provost and other academic officials to address student concerns with regards to the academic programs of the University, represent academic issues, such as graduation, and advocate to administrators to maintain an adequate amount of student study locations with reasonable hours of operation.
